

Red River Rubyists

A new Ruby Users Group is being created in Shreveport! Come be a part of the very first meeting and find out why the Ruby language has become so popular. We'll cover what Ruby is, how to get setup on your own laptops/computers, point you in the right direction for further learning, and even create a live web application right on the spot!

FIRST MEETING:

THURSDAY, OCT. 22, 2009

7:00 PM @ LSUS
